

ARD PHE CO.,LTD is a leader in Plate Heat Exchanger industry in China. We can provide all brands of plate heat exchangers and gaskets. Our goal is to solve your heat exchangers specialized in the area of plate heat exchanger gaskets & plates. For over 15 years, ARD has grown manufacturer and exporter of the integration of the company. We always focused on the oil ,chemical industry, food and beverage, electric power, metallurgy, marine , HVAC and other industries that need plate heat exchangers.

Now about 1/5 of global plate heat exchangers are using ARD accessories or accept ARD maintenance services(including regular cleaning, repair, replacement parts, etc). More than 50 countries are using ARD products.

ARD will strive to provide a prompt, professional, competitive plate heat exchanger system solutions.

Fast response times

We aim to respond immediately to emails and phone calls even if initially just to confirm that we have received the necessary information and advise approximately when we will have a quotation ready for you. If we already have the specification of your heat exchangers to hand we can usually quote by return.

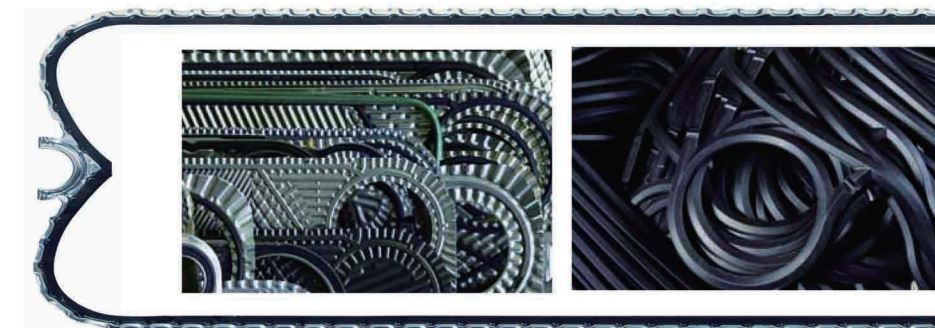

Competitive Prices

We have access to a global supply chain which enables us to identify your heat exchangers (wherever they may have originally been manufactured) and source competitive parts while maintaining the highest quality.

Technical & Sales Support

If you have any questions related to your plate heat exchangers whether it be an urgent requirement or just a general question please do not hesitate to contact us and one of our experienced sales team or service engineers will be available to assist you.

ARD Plate Heat Exchanger(Jiangyin)Co.,Ltd

Perfect product

Efficient service

Will be for you to create a higher value

Overall EXPERTISE IN THE PLATE HEAT EXCHANGER

Note: The above model can be directly production, special sizes can be customized

In addition to the above import plate heat exchanger gasket brands, ARD also provide home and abroad brands of the plate heat exchanger gaskets. Including such as: Accessen, CIAT, FISCHER, FUNKE, PASILAC, POLARIS, TETRA etc.

If you are not sure of the heat exchanger gasket model and brand, you can take photos or send the samples to our company, ARD will select it from more than 1000 kinds of mold in our warehouse, and then determine model, and produce.

ARD provide clean various models of plate heat exchanger at home and abroad, and replace the gasket and plate of spare parts.

According to customer needs, ARD provide special customization model.
